COLEMAN STUDENTS HOLD THEIR ANNUAL PROM

The Coleman Annual High School Prom was held Friday evening with the affair getting underway at a turkey banquet held in the Elks hall, and catered to by the Ladies of the Royal Purple Lodge. Chairman of the affair was president of the Students' Union, Michael Hill, who called upon Miss Irene Hatalcik to say Grace.

A toast to the Queen was made by Raymond Cornes, after which Miss Sharon Kilgannon proposed a toast to the staff, which was responded to by Principal Horace Allen. Chairman of the Coleman School Board, Steve Mraz, responded to the toast made to the Board by Nick Misura, after which a toast was made to the parents of the students by Miss Caron Johnson, and responded to by Mrs. M. Johnson.

Class Valedictorian was Miss Jackie Krish. An inspiring talk was then given to the graduates by John A. McDonald of Medicine Hat, a former Coleman high school teacher, to which Miss Beverly Bond responded. A vote of thanks was then tendered to the Ladies of the Royal Purple by Miss Moira Smales for the excellent banquet the ladies had prepared for the occasion.

All then retired to the Coleman high school auditorium, where a program of entertainment under the chairmanship of Michael Hill was ably presented. The program included a selection by the girls' choir accompanied by Edna Yagos and conducted by Mrs. G. Muspratt; a piano solo by Cynthia Bond; a solo

by Marion Ewachen, accompanied by Mike Klonczka; a trumpet solo by Don DeCocco, accompanied by Edna Yagos, and a dance duet by Cynthia Bond and Judy Holyk.

Presentation of the Lions Club curling trophy was made to the skip of the winning Coleman high school rink, Jim Atkinson, by Principal Horace Allen, after which a gift of a transistor radio was made to Miss Jackie Krish by Michael Hill on behalf of the high school, to Miss Krish having run as queen candidate in the Crown West Pass Winter Carnival, representing the Coleman high school.

Each of the graduates of this year's class were then personally introduced with Michael Hill introducing the girls and Miss Anne Wesko introducing the boys.

The graduates this year are—Nidia Alampi, Nelson Bernard, Beverly Bond, Ray Cornes, Robert France, Donna Gentile, Caron Johnson, Sharon Kilgannon, Jackie Krish, Mike Klonczka, Nick Misura, Moira Smales and Bob Zak.

Following the program the students and their guests enjoyed an evening of dancing in the auditorium which was splendidly decorated for the special occasion.

Coleman Rodeo, July 4th

Parade Marshal Corson has announced that 10 bands have been secured to date for the Rodeo Parade July 4th. The Royal Canadian Air Force brass and reed band will be in attendance, and the Shriners' Desert Patrol Scooter Team will make their first appearance in Coleman this year.

There will be a new attraction at this year's Rodeo. It is something different in this area—known as "Stake Your Claim". An area of the school yard, or some such large space will be divided into "claims" which may be staked by anyone desiring to do so.

As in any mining district the "claims" must be "registered" at the "registry office" for, naturally, a modest fee. Those claims which may be described as "bonanzas" will have been chosen by an ingenious method whereby nobody will know which they are until the sealed envelopes are opened in the presence of the claim stakers and the public—for a mining district such as this, such an attraction should prove to be popular and provide a lot of good-natured revelry and fun.

On July 3rd the evening's entertainment will be under the management of Mr. S. Murdoch and will feature a giant bingo, run by the Coleman Elks, with all proceeds going to the Rodeo committee.

Mr. Orazio Celli is in charge of the July 4th evening concert which will bring us once again the internationally famous "Silver Spurs", the Spokane, Wash., dancing troupe which is just completing a tour of the North American continent. This will be your opportunity to see many famous and original dances

such as "The Bamboo Dance". The Ladies' Curling Club are looking after billeting of band personnel, etc.

Mr. Eugene Fabro, chairman of the Rodeo committee, will supervise the "Stake Your Claim" attraction. Mr. Ray Upton, secretary of the Rodeo committee, has announced the appointment of the following committee chairman: Parade Marshal—Ed Corson. Rodeo Queens—G. Jenkins. Catering—John Binda. Advertising—John Owen.

Gate Tickets—Frank Graham. Grand Stand—C. Freeman. Arena Stage—Jim Montalbetti. Assistant Arena Director—Bill Fraser.

George Jenkins, Rodeo Queen chairman, has announced that two co-eds have entered the race for Rodeo Queen—Miss Anne Wesko, popular Coleman high school girl, will be sponsored by the C.Y.O. Miss Pat Huchala, vivacious Blairmore entry, will be jointly sponsored by the Blairmore Board of Trade and the Crowettes ball team.

Tickets for queens will go on sale May 28th. Please give the girls your best support by buying tickets.

Many enthusiastic individuals are working along with the committees to make the 1959 rodeo an outstanding success.

Blairmore Cadet Corps Hold Annual Inspection Recently

The annual inspection of No. 535 Blairmore Cadet Corps was held in the West End Armories last week when 15 members of the Corps were inspected by Major R. W. Ainscough, officer commanding the 93rd Field Battery (SP) RCA, of Fort Macleod.

Assisting were Major Don Watson of Pincher Creek, Captain R. Cuniffe, Cadet Training officer for Southern Alberta area of Calgary; Lieut. B. A. Powie, officer commanding the 31st Technical Squadron, RCME, Blairmore and Staff Sgt. J. Isaac of Calgary.

For the colorful inspection ceremonies the RCME band under the direction of WO I. F. Beddington were in attendance.

After the ceremonies, which were attended by a large gathering of Pass residents, was over, the Cadets retired to the RCME hall, where a full course turkey banquet was enjoyed.

After the banquet Major Ainscough called on three calets, and presented them with awards and in doing so commended each of the lads. Receiving honors were Cadet Cpl. William Kovach of Hillcrest, who won the Blairmore Moose Lodge trophy for being the best turned out cadet on parade; Cadet T. Megill of Coleman, who was presented with the Marksmanship trophy sponsored by the 31st Technical Squadron, RCME, Blair-

more, and Cadet R. Anderson, also of Coleman, who was presented with a cash award sponsored by the Cadet Corps for the cadet showing the best attendance during the year.

Following the presentations short addresses were given by Captain Cuniffe, and Lieut. Bert Powie, on cadet training as a whole.

Both speakers commended the local corps and the chief instructor, Robert Munson of Blairmore.

After a magic show was put on by Arthur Williams of Blairmore, the cadets enjoyed the showing of slides of cadet camps held at Vernon, B. C., and Banff.

Chief Instructor Bob Munson has announced that after some range work has been completed the corps will recess for the summer months. The corps will resume activities and training in September and all interested boys from the ages of 14 to 18 years are invited to attend as an interesting session is being planned for the next season. To join the corps the interested lads are asked to contact Robert Munson at Blairmore.

Rodeo Parade Has Signs of Largest Yet

Coleman's Rodeo Parade may be the largest ever witnessed when it gets under way on July 4th, with many bands expected to take part.

The RCAF brass and reed band will participate. This band is being obtained with the kind help of the Coleman Elks Lodge, who are making a liberal donation towards the transportation of the band. Also in the parade will be the Shriners' scooter patrol team, which boasts 15 scooters. This team will come to Coleman for the parade from Lethbridge.

Sick's Lethbridge ginger ale float, previous winner of the parade marshal's award, will also be in the parade and there is a possibility that a buffalo team from the Calgary Ginger Ale will participate also.

It is expected that all Coleman businessmen will enter a float or display which will represent their business and all residents owning cars are urged to decorate same for this gala parade.

Persons wishing information as to entering this parade may contact Ed Corson, Parade Marshal.

Historic Sites Recommended States Lawrence Kindt, M.P.

Three historic sites have been recommended for action at the next sitting of the Historic Sites and Monuments Board in Ottawa, according to the following from Lawrence E. Kindt, M.P.—

(Following is a memorandum to the Hon. Alvin Hamilton from Dr. Lawrence E. Kindt, M.P.)

1—Frank Slide in the Crows Nest Pass, to be designated an historic site and a museum erected to house certain historical relics.

The thought of the local people is to build the museum big enough to house not only the relics of the Frank Slide, but also any relics of the Palliser Expedition of 1857-58, which explored the Crows Nest Pass area, and perhaps also certain mementoes of the development of the coal industry of the Crows Nest Pass. Details should be worked out with the local people.

The Crows Nest Pass Historical Association was organized in April, 1959, for the specific purpose of developing this historical project. The local people are ready and have made a substantial start. They are waiting for the green light and guidance from the government at Ottawa. This is a depressed area because of the loss of coal markets, and therefore it would be appreciated if action could be taken on this project without unnecessary delay.

2—Turner Valley Area to be designated an historic site and a museum erected to house certain relics of the oil and gas development. As you know, Turner Valley is the great oil and gas producing field that created the spark that rocked the world in 1914. It is a place of great historical interest and the

cradle of the oil and gas industry in the Dominion.

The Turner Valley Community Historical Association has been created to assist with the project. Already an old log building has been purchased. The people want this historical development, and the local organization is waiting positive action by the Historic Sites and Monuments Board and further guidance on the project.

3—Buffalo Slaughter Cliffs, Squaw Coulee, northwest of Nanton, Alberta.

This is a great historic site, where buffalo were driven to the edge of the cliff where the milling herd forced many animals over the cliff, to be killed and slaughtered by the Indians.

NOTE: I should like to look over this Squaw Coulee site more carefully during the coming summer, and talk with local people. There might be another and more appropriate name. Perhaps we can organize a local historical association. I would therefore suggest that action be deferred on the Squaw Coulee site until fall, and all emphasis placed on the other two historic sites recommended namely (1) Frank Slide, where the Crows Nest Pass Historical Sites Association is all organized and waiting

to go; and (2) Turner Valley where the local people are also organized and waiting for word from Ottawa. I should appreciate being kept informed, and I shall anxiously await your decision and that of the Historic Sites and Monuments Bd.

Ted Kryczka 1959-60 President Of Lions Club

Coleman Lions met last week when a new slate of officers for the coming year were nominated for office.

To head the group for the 1959-1960 term are:

President, Ted Kryczka.
Past president, Jim Montalbeti.
Vice-president, Graham Atkinson.
Secretary, John Owen.
Treasurer, Ed Howard.

Lion tamer, Joe Zak.
Tailwagger, Gordon Dumford.
The directors will be George Jenkins, Pete Hornick, Wally Kubica and R. Montalbeti.

The new slate will be installed by Horace Allen at the Lions annual outdoor picnic and meeting for which plans are now being discussed by a committee.

The Lions decided to enter a float in the Coleman Rodeo parade with the theme behind the float being to collect coins for the Lions Community service work.

It was reported that the eight conservation program undertaken by the Lions Club in the Coleman area had proved very successful and that all students and pupils had been checked and a fair number were in need of attention.

The Lions will assist financially those students or pupils whose parents are unable to have the re-

quired prescriptions filled.

It was disclosed at the meeting that a good quantity of eye glasses for India were being turned in to the three depots in Coleman. These glasses will be forwarded to Calgary for grading and shipping to India.

Reports indicated that good progress is being made on the construction of the equipment to be installed in another kiddie's park in east or north Coleman in the near future.
